Crazy Christmas 2022

WHO KILLED DON CALZONE?

THE CALZONE SAGA CONTINUES...

Forget your winter blues, and come to sun-soaked Miami Beach for the NEXT CHAPTER of our riotous Eighties gangster romp.

The Calzone family is again in crisis! Don Calzone has retired from the family business, but his successor is an unexpected and unpopular choice.
All hell breaks loose when a drug lord known as The Cuban, a family advisor known as The Danishman, and a millionaire businessman called Donald Dump, fight to influence the new Don Calzone.
Find out who makes it to the end of this new eighties riotous gangster romp, created by Vivienne McKee with her signature cocktail of classic Crazy Christmas (now for its 39th time!) with a triple shot of Coppola, Tarantino and Scorsese, shaken and not stirred, with a slice of pure British silliness.

This is “No Time to Die “ - but time to die laughing !
Enjoy this year’s best Tivoli roller-coaster ride, riddled with bullets, toe-tapping tunes, jokes, slapstick, satire, and best of all - oodles of audience participation !!

IT’S THE ONLY CRAZY WAY TO ENJOY CHRISTMAS !
